FROM THE EAST

Greetings Brethren,

Fall has arrived. Here it is, the end of September, and soon to be October. The leaves are changing, and Washington Lodge is continuing to bring Masonry to Manchester. We had good attendance at our September meeting. After a 2-month break, we are back. We got caught up on all our masonic letters and had a discussion on Respect and how it pertains to leadership. Leadership is the Grand Master's theme for this Masonic year.

Our October Stated will be on October 21st. We will have a dinner served by the ladies of Rockingham Chapter OES at 630 pm with Lodge starting at 730pm. On the agenda will be the FC proficiency for Will Carlson and a discussion of Masonic Aprons of 1800. Masonic aprons have changed since 1800. I encourage all to come to our stated and share the masonic brotherhood.

We are having a Master Mason Degree on Saturday, October 24th. This Saturday degree is to allow those who cannot come to a degree at night to come during the day. We plan to start at 11am, then have a light lunch. Please try to make this a special event for a fellow brother.

Brothers, I know there are many things that go on throughout our lives. As Masons, we are taught to help each other through the length of our cable tow. As we head into 2027, I would ask that we help out our fellow brothers. Washington Lodge will continue to serve and support our fellow brethren. If there are any questions or concerns, please contact me directly.

Respectfully submitted,
Bill
